## Mission Statement

St Mary's School seeks to provide an education firmly founded on Christ and the Catholic faith.

Spiritual and moral principles are nurtured in a way that is reflected in daily life.

Within a happy and caring environment and based on the recognition of the dignity and worth of every child, high standards are expected and pursued. Intellectual development is emphasised and fostered along with the pursuit of academic excellence.

St Mary's values the unique contribution of every child within the school community.

St Mary's aims to encourage and active partnership between home, school, parish and the wider community.
