ST MARY'S SCHOOL, HAMPSTEAD

MEANS -TESTED BURSARIES

Introduction

St Mary's School, Hampstead is a charity providing Roman Catholic Education for boys from aged from 3 to 7 and girls aged from 3 to 11 at its School in Fitzjohn's Avenue, London, NW3.

St Mary's School, Hampstead is committed to broadening access to the school by offering to eligible parents/guardians means-tested financial support with the payment of schools fees. Such support is known as a Bursary and these Bursaries may be awarded in the form of a discount of up to 100% and in some cases more on tuition and other related fees payable (lunches, uniform, music tuition), depending on the financial, compassionate or other pertinent circumstances of applicants.

St Mary's receives no other income other than that from fee income. The school fees for 2016-2017 are £4,500 per term. As a charity, the School regards it as appropriate to extend access to the high quality Catholic education it offers to those who are in real financial need. The ability of the School to award bursaries in any one year will depend on the availability of funds within our agreed budget and the quality and circumstances of the applicants.

Bursary awards are subject to repeat testing of parental means each year and may be varied upwards or downwards, depending on parental circumstances. Awards are made on the basis of the St Mary's School's Scale of Awards, which sets out award levels in relation to a family's financial circumstances. The Scale of Awards is reviewed and revised annually by the Bursar and F&GP Committee to reflect any changes in fee costs, and is approved by the Governors. Though awards are generally tied to this scale, they may be varied upwards or downwards depending on individual parents/guardians' circumstances (e.g. their savings, investments and realisable assets, as well as their income, the size of their family, any other persons dependent upon them and like factors), compassionate or other pertinent considerations.

Requests for financial support usually fall into two categories:

- New applicants to the school, where a place has been offered but parents/guardians are unable to fund the tuition fees. [Means-Tested Bursary]
- Existing pupils where a change in parents/guardians' circumstances has resulted in difficulty in meeting tuition fees and may result in the child being withdrawn part way through a stage of education. [Hardship Fund]

New Applicants to the School

Awareness. Information provided by the School using a range of media in order to reach a socially diverse audience and alerting the parents/guardians of potential pupils to the possibility of gaining means-tested financial support with the payment of schools fees is included in:

- The School prospectus and related documents

- The School website
- The local press and national publications and directories by means of advertisements / entries
- Local Institutions including parish churches and other schools
- At the time of the tour of school and meeting with the Head
- At the time of 7+ entry advertising.

The Application Process.

Bursaries may be made available to parents/guardians of children entering St Mary's School (See the School's Admission's Policy). They are awarded at the discretion of the Governors through the Finance & General Purposes Committee and the Head and Bursar are responsible for the management and coordination of the process.

- Step One. Parents/guardians seeking a bursary are required to complete an application form which seeks to establish the financial circumstances of the household. The form, which requests details of income and capital, may be found at Annex A and must be accompanied by full documentary evidence. The completed form, together with the necessary documentary evidence, is to be submitted to the Bursar.
- Step Two. The Bursar assesses all applications in order to establish the likely level of support which will be required in order to allow the child to attend the School. This may involve the Bursar or her representative, with permission from the applicant verifying information given. The School uses The Bursary Administration Limited to verify information as necessary.
- Step Three. The Bursar prepares a recommendation in accordance with the St Mary's Indicative Scale of Awards which is considered with the Head and a joint recommendation is then reached.
- Step Four. The joint recommendation is presented to the Finance & General Purposes Committee for approval. If timings are such that applications are made outside of the meetings calendar then the Head will make a submission to the Chair of Governors and Treasurer for approval.
- Step Five. The parents/guardians are advised whether their child is to be offered a place at the School and of the bursary offer.
- Step Six. Parents/guardians are then required to sign a letter accepting the place at the school and an acknowledgement agreeing to any conditions relating to the bursary.

The Case for Assistance.

The Head and Bursar will consider a number of factors when making the judgement as to the justification for support, and the extent of such support. In the main, the child's suitability for the school is the first consideration in granting support.

- Suitability. In assessing a child's suitability, attention will be given to the academic assessment result of each applicant, but potential will also be considered as well as actual achievement. Bursary funds are limited and those judged most suitable in accordance with the School's Admissions Policy will be given priority. Each pupil to whom support is offered must, in the opinion of the Head, be likely to make sound academic progress following admission and possess the potential to develop the quality of his or her work, and benefit from participation in the wider, extra-curricular activities on offer at the School. In normal circumstances, each applicant should meet the School's normal academic requirements. Previous school reports will be consulted.
- Financial Limitations. The amount of the bursary award is not influenced by the level of the academic ability of the child but by the extent of need. Each case is assessed on its own merits and awards are made accordingly, subject to the School's ability to fund these within the context of what is viable within the context of its overall budget. It is recognised that judgements about what sacrifices a family should make to pay school fees will be personal. However, the School has a duty to ensure that all bursary grants are well focused and so, as well as current earnings, other factors which will be considered in determining the necessary level of grant will include:
 - The ability to improve the financial position or earning power of the family. For example, where there are two partners, both would be expected to be employed unless one is prevented from doing so through incapacity, the need to care for children under school age or other dependents, or the requirements of their partner's work.
 - Opportunities to release any capital. Significant capital savings and investments would be expected to be used for the payment of school fees, as would equity values in houses.
 - In cases of separation, the contribution made by the absent parent.
 - Contribution to household costs by other, wider, family members, any adults unrelated to the child or by outside sources.
 - Where fees are being paid to other schools (or universities) the School's grant will take into account all these outgoings.
 - Acknowledging that others might have a different view, the School considers that the following would not be consistent with the receipt of a bursary:
 - Frequent or expensive holidays.
 - New or luxury cars.
 - Investment in significant home improvements.
 - A second property/land holdings.
- Other Factors. It is recognised that, in addition to academic ability and financial constraints, there may be other circumstances which should be considered. These include:
 - Where a child has siblings at the School.
 - Where the social needs of the child are relevant (eg: may be suffering from bullying at their present school).

- Where a parent/guardian is terminally ill or is unable to secure permanent employment due to poor health.
- Where a separation has resulted in the child having to be withdrawn from the School adding to the stress of coping with the parents/guardians separating.

Existing Pupils - Change in Family Circumstances – Hardship Fund

Within overall budget funding, the School will in normal circumstances consider cases of sudden, unforeseen need or hardship where applications meriting bursary assistance are received out of the normal calendar cycle for bursary submission, scrutiny and award. Parents/guardians with a child at the School whose financial circumstances suddenly change may apply for a bursary to the Headmistress explaining their situation and using the forms at Annex A. Such awards are subject to the availability of funding and cannot be guaranteed.

The Hardship Fund is brought to the attention of all current parents annually with the notification of the Fee level for the next academic year.

Annual Review

All bursary awards are subject to repeat testing of parental means each year and may be varied upwards or downwards depending on parental circumstances. Current bursary holders will be issued with repeat means-testing forms at the beginning of the Easter holidays (ready for the Finance & General Purposes meeting held during the summer term) each year for return by the end of May. For those previously in receipt of bursaries, the Head and Bursar, in making their joint recommendation to the Finance & General Purposes Committee, have the discretion to recommend to the Governors the reduction or withdrawal of an award not only where a pupil's progress, attitude or behaviour has been unsatisfactory but also where the parents/guardians have failed to support the school, for example by the late payment of any contribution they are making to the fees.

Confidentiality / Data Protection

The School respects the confidentiality of bursary enquiries and awards made to families and recipients are expected to do likewise. If at the time of school transfer information is requested by other schools in relation to bursaries and financial assistance awarded, written permission will be sought from the parents / guardians concerned before any information is shared.

All documentation is kept securely meeting all Data Protection requirements.

Scholarships

Scholarships awarded by the School are Honorary and awarded for academic achievement and for excellence in sport, music and art. These can run concurrently with a Bursary, if awarded.

Other Sources of Bursary Assistance

In addition to the School's Bursary Fund, there are a number of educational and charitable trusts which provide assistance with tuition fees. In the majority of cases, these are to assist children who are already attending a fee-paying school and due to a change of circumstances may be unable to remain. St Mary's School encourages parents/guardians to apply for support where it is felt a good case can be made for assistance. Useful sources of information are
