ST MARY'S SCHOOL, HAMPSTEAD

MEANS -TESTED BURSARIES

Introduction

St Mary's School, Hampstead is a charity providing Roman Catholic at its School in Fitzjohn's Avenue, London, NW3 6PG.

St Mary's School, Hampstead is committed to broadening access to the School by offering to eligible parents/guardians means-tested financial support with the payment of school fees. Such support is known as a Bursary and these Bursaries may be awarded in the form of a discount of up to 100% and in some cases more on tuition and other related fees payable (lunches, uniform, music tuition), depending on the financial, compassionate or other pertinent circumstances of applicants.

St Mary's receives no income other than that from fee income. The school fees for 2021-2022 are £5,580 per term. As a charity, the School regards it as appropriate to extend access to the high quality Catholic education it offers to those who are in real financial need. The ability of the School to award Bursaries in any one year will depend on the availability of funds within our agreed budget and the quality and circumstances of the applicants.

Bursary awards are subject to repeat testing of parental means each year and may be varied upwards or downwards, depending on parental circumstances. Awards are made on the basis of the St Mary's School's Scale of Awards, which sets out award levels in relation to a family's financial circumstances. The Scale of Awards is reviewed and revised annually by the Bursar and F&GP Committee to reflect any changes in fee costs, and is approved by the Governors. Though awards are generally tied to this scale, they may be varied upwards or downwards depending on individual parents/guardians' circumstances (e.g. their savings, investments and realisable assets, as well as their income, the size of their family, any other persons dependent upon them and like factors), compassionate or other pertinent considerations.

Requests for financial support usually fall into two categories:

- New applicants to the school, where a place has been offered but parents/guardians are unable to fund the tuition fees. [Means-Tested Bursary]
- Existing pupils where a change in parents/guardians' circumstances has resulted in difficulty in meeting tuition fees and may result in the child being withdrawn part way through a stage of education. [Hardship Fund]

New Applicants to the School

Awareness. Information provided by the School using a range of media in order to reach a socially diverse audience and alerting the parents/guardians of potential pupils to the possibility of gaining means-tested financial support with the payment of schools fees is included in:

- The School prospectus and related documents
- The School website
- The local press and national publications and directories by means of advertisements / entries
- Local Institutions including parish churches and other schools
- At the time of the tour of school and meeting with the Headmistress
- At the time of 7+ entry advertising

The Application Process.

Bursaries may be made available to parents/guardians of children entering St Mary's School (See the School's Admission's Policy). They are awarded at the discretion of the Governors through the Bursary Committee and the Headmistress and Bursar are responsible for the management and coordination of the process.

- Step One. Parents/guardians seeking a Bursary are required to complete an application form which seeks to establish the financial circumstances of the household. The form, which requests details of income and capital, may be found at Annex A and must be accompanied by full documentary evidence. The completed form, together with the necessary documentary evidence, is to be submitted to the Bursar.
- Step Two. The Bursar assesses all applications in order to establish the likely level of support which will be required in order to allow the child to attend the School. This may involve the Bursar or her representative, with permission from the applicant verifying information given. The School uses The Bursary Administration Limited to verify information as necessary.
- Step Three. The Bursar prepares a recommendation in accordance with the St Mary's Indicative Scale of Awards which is considered with the Headmistress and a joint recommendation is then reached.
- Step Four. The joint recommendation is presented to the Bursary Committee for approval. If timings are such that applications are made outside of the meetings calendar then the Headmistress will make a submission to the Treasurer for approval.
- Step Five. The parents/guardians are advised whether their child is to be offered a place at the School and of the Bursary offer.
- Step Six. Parents/guardians are then required to sign a letter accepting the place at the school and an acknowledgement agreeing to any conditions relating to the Bursary.

The Case for Assistance.

The Headmistress and Bursar will consider a number of factors when making the judgement as to the justification for support, and the extent of such support. In the main, the child's suitability for the School is the first consideration in granting support.

- Suitability. Bursary funds are limited and those judged most suitable in accordance with the School's Admissions Policy will be given priority. Each pupil to whom support is offered must, in the opinion of the Headmistress, be likely to make sound academic progress following admission and possess the potential to develop the quality of her work, and benefit from participation in the wider, extra-curricular activities on offer at the School. In normal circumstances, each applicant should meet the School's normal academic requirements. Previous school reports will be consulted.
- Financial Limitations. The amount of the Bursary award is not influenced by the level of the academic ability of the child but by the extent of need. Each case is assessed on its own merits and awards are made accordingly, subject to the School's ability to fund these within the context of what is viable within the context of its overall budget. It is recognised that judgements about what sacrifices a family should make to pay school fees will be personal. However, the School has a duty to ensure that all Bursary grants are well focused and so, as well as current earnings, other factors which will be considered in determining the necessary level of grant will include:
 - The ability to improve the financial position or earning power of the family. For example, where there are two partners, both would be expected to be employed unless one is prevented from doing so through incapacity, the need to care for children under school age or other dependents, or the requirements of their partner's work.
 - Opportunities to release any capital. Significant capital savings and investments would be expected to be used for the payment of school fees, as would equity values in houses.
 - In cases of separation, the contribution made by the absent parent.
 - Contribution to household costs by other, wider, family members, any adults unrelated to the child or by outside sources.
 - Where fees are being paid to other schools (or universities) the School's grant will take into account all these outgoings.
 - Acknowledging that others might have a different view, the School considers that the following would not be consistent with the receipt of a bursary:
 - Frequent or expensive holidays.
 - New or luxury cars.
 - Investment in significant home improvements.
 - A second property/land holdings.

- Other Factors. It is recognised that, in addition to academic ability and financial constraints, there may be other circumstances which should be considered. These include:
 - Where a child has siblings at the School.
 - Where the social needs of the child are relevant (eg: may be suffering from bullying at their present school).
 - Where a parent/guardian is terminally ill or is unable to secure permanent employment due to poor health.
 - Where a separation has resulted in the child having to be withdrawn from the School adding to the stress of coping with the parents/guardians separating.

Existing Pupils - Change in Family Circumstances – Hardship Fund

Within overall budget funding, the School will in normal circumstances consider cases of sudden, unforeseen need or hardship where applications meriting Bursary assistance are received out of the normal calendar cycle for Bursary submission, scrutiny and award. Parents/guardians with a child at the School whose financial circumstances suddenly change may apply for a Bursary to the Headmistress explaining their situation and using the forms at Annex A. Such awards are subject to the availability of funding and cannot be guaranteed.

The Hardship Fund is brought to the attention of all current parents annually with the notification of the Fee level for the next academic year.

Annual Review

All Bursary awards are subject to repeat testing of parental means each year and may be varied upwards or downwards depending on parental circumstances. Current Bursary holders will be issued with repeat means-testing forms at the beginning of the Easter holidays (ready for a Bursary Committee meeting held during the summer term) each year for return by the end of May. For those previously in receipt of bursaries, the Headmistress and Bursar, in making their joint recommendation to the Bursary Committee, have the discretion to recommend to the Governors the reduction or withdrawal of an award not only where a pupil's progress, attitude or behaviour has been unsatisfactory but also where the parents/guardians have failed to support the school, for example by the late payment of any contribution they are making to the fees.

Confidentiality / Data Protection

The School respects the confidentiality of Bursary enquiries and awards made to families and recipients are expected to do likewise. If at the time of school transfer information is requested by other schools in relation to Bursaries and financial assistance awarded, written permission will be sought from the parents / guardians concerned before any information is shared.

All documentation is kept securely meeting all Data Protection requirements.

Other Sources of Bursary Assistance

In addition to the School's Bursary Fund, there are a number of educational and charitable trusts which provide assistance with tuition fees. In the majority of cases, these are to assist children who are already attending a fee-paying school and due to a change of circumstances may be unable to remain. St Mary's School encourages parents/guardians to apply for support where it is felt a good case can be made for assistance. Useful sources of information are

ASSISTANCE FROM OTHER SOURCES

Please state whether you have applied to trusts or foundations for a grant, and if so to which and with what result. Please also state what steps you have taken to obtain assistance from any other third party.

We have read the notes and have made a complete and accurate declaration of our income and assets.

We understand that if we are offered a Bursary for our child and accept a place for her at the school, the following terms and conditions will apply as between ourselves and the School:-

- a) our child’s fees account with the School will be credited termly with the amount of the Bursary for so long as the award remains in effect;
- b) any award of a Bursary is subject to annual review and we must complete an annual declaration of our financial circumstances on the form sent to us by the School and supply all relevant supporting evidence by the return date indicated;
- c) we will report immediately any material change in the financial position declared;
- d) the Bursary may be withdrawn or reduced if:
 - i) we act or our child acts in breach of the School’s Terms and Conditions attached to the Acceptance Form for our child at the School or in breach of the terms of the Bursary award;
 - ii) we have failed to return the annual declaration of our financial circumstances by the return date indicated;

NOTES FOR GUIDANCE FOR COMPLETION OF BURSARY GRANT APPLICATION FORM

Before completing the form, please read these notes carefully, and contact the Bursar if further information or advice is required. These notes refer to the corresponding paragraph on the Form.

The School reserves the right to seek any other documentary evidence in support of the income and asset figures submitted, and to make enquiries which it deems necessary.

All financial values should be shown in Sterling. References to Her Majesty's Revenue & Customs (HMRC) include the relevant national Taxation Authority.

SECTION 2: PARENTS

The form should be completed by all holders of parental responsibility for the child.

As responsibility for payment of the fees is in most cases 'joint and several', where both parents do not live together in the same household, each parent should complete the form with full details of their own financial circumstances and the circumstances of their own household. Please err on the side of caution and provide as much information as possible.

Please contact the Bursar if you are unsure who should complete this form or have questions about whose financial circumstances should be included.

SECTION 4: INCOME

- A The gross annual amount of salaries and wages, including any earnings from profit related pay, part-time employment and any sum received as bonus, commission etc, statutory sick pay, statutory maternity pay giving GROSS amounts (before deduction of tax, NI, superannuation, etc) for the current or latest financial year. Taxable benefits in kind agreed with HMRC should also be shown (free or subsidised housing, meals, petrol, cars, etc) – at the amount agreed for taxable purposes.
- B Profits from a business or profession – at the amount of GROSS income declared to HMRC or relevant tax authority for the year in question. Copies of the latest set of accounts should be included. Where the profits assessed relate to a basis period in excess of or less than 12 months please state the length of that period.
- D All other Investment income (eg interest or National Savings Bank deposits; dividends, annuities etc) should be entered GROSS of tax. If tax was deducted at source, parents should add in the amount of tax paid or tax credit notified. Building Society interest must be disclosed GROSS.
- E Enter income from letting or subletting of property at the amount of the profit declared to HMRC, net of related expenditure before tax.
- F All social security benefits received should be declared and type of benefit specified.
- H Court Orders, Legal Separation Agreements and Voluntary Arrangements for School Fees – Where a parent is required by a Court Order, or a legal binding separation agreement (eg Deed of Separation) to pay part of the School fees, then only that part of the fee which is not covered by the Court Order/agreement will be used to calculate any bursary to be awarded. This is irrespective of whether or not the order or agreement is being complied with. Where the whole amount of the fees are required to be paid by virtue of a Court Order or separation agreement, applicants are not eligible for a bursary. You should indicate how many years are payable and any annual variations.

All receipts relating to maintenance payments, separation allowances and sums in respect of Child Support maintenance must be declared.

- J Include free benefits in kind agreed by HMRC as not subject to tax, eg representative occupation of house, free meals.

SECTION 5: OUTGOINGS

- A Enter Income Tax and tax on unearned income SEPARATELY.
- C Enter annual superannuation contribution of (if applicable) payments to other Pension Schemes SEPARATELY.
- D Enter capital as well as interest payment on a mortgage for the principal residence.
- E Only complete this if repayment is effected by means of a full Endowment Policy.
- F Include bank overdraft and other loan charges incurred during the year (specifying the purpose of the loan).

SECTION 6: PARENTS'/APPLICANTS' CAPITAL ASSETS

In addition to taking account of all relevant sources of income, the School takes account of the following assets:

- A The capital sum of any monies on deposit with any bank, deposit taker or building society. Investments in stocks and shares, valued as near as possible to the date of submitting the application form.
- B The current market value of your principal residence as provided by two estate agents. The current market value should be estimated by parents where a current valuation is unavailable, with the reason provided as to why such a valuation is unavailable.
- F If you run your own business or are partners in a business, then you should show the net worth of the business. Shares in a company not listed on a stock exchange should be valued at the relevant proportion of the net value of the company.

SECTION 7: PARENTS'/APPLICANTS' CAPITAL LIABILITIES

Details should be provided of any outstanding school fee payments or charges and any arrangements entered into with the relevant school in respect of payment.

Details of other liabilities should be provided along with the lender.

SECTION 9: DEPENDENT CHILDREN

The types of policy concerned are those which stipulate that the company shall pay the school fees, in whole or in part, to the school in respect of the pupil.
