ST MARY'S SCHOOL, HAMPSTEAD

MEANS -TESTED BURSARIES

Introduction

St Mary's School, Hampstead is a charity providing Roman Catholic education at its school in Fitzjohn's Avenue, London, NW3 6PG.

St Mary's School, Hampstead is committed to broadening access to education at the School by offering to eligible parents means-tested financial support for the payment of school fees. Such support is known as a bursary. Bursaries may be awarded in the form of a discount of up to 95% remission on tuition and other related fees payable (lunches and school trips), depending on the individual circumstances of prospective pupil and each of her parents. In very exceptional circumstance, additional discounts may be granted.

St Mary's receives very little income other than that from fee income. The school fees for 2023-2024 are £6,180 per term. As a charity, the School regards it as appropriate to extend access to the high quality Catholic education it offers to those who are in real financial need. The ability of the School to award Bursaries in any one year will depend on the availability of funds within our agreed budget and the quality and circumstances of the applicants.

Bursary awards are subject to an annual review of the pupil's and her parents' financial circumstances, with fresh information being required about the pupil's and her parents' circumstances for every year that their child attends the school. Bursary awards may be removed or varied upwards or downwards, depending on the pupil's and parents' financial circumstances.

Awards depend on the child's and each parent's financial circumstances (e.g. their savings, investments and realisable assets, as well as their income, the size of their family, any other persons dependent upon them and other factors).

Awards may also be varied upwards or downwards for compassionate or other pertinent reasons, including but not limited to a pupil's progress, attitude, attendance or behaviour; where the parents have failed to support the School or otherwise have not acted in accordance with their obligations under the School's Terms and Conditions, for example by the late payment of any contribution they are making to the fees; or otherwise in accordance with the terms of the award or the school's Terms and Conditions.

The lack of availability of funds in the School's budget or a higher number of applications in a particular year group may result in awards being scaled back from the level that would otherwise be given.

A bursary may be withdrawn in its entirety in accordance with the terms upon which such an award is made or otherwise in accordance with the School's Terms and Conditions. A bursary may also be withdrawn in its entirety if, in the opinion of the Headmistress, the child's attendance, progress and/or behaviour (and/or the parents' behaviour or conduct (or the behaviour or conduct of one of the parents)) no longer merit the continuation of the award.

The School reserves the right to amend the way in which awards are assessed.

Requests for financial support usually fall into two categories:

- New applicants to the school, where a place has been offered but parents are unable to fund the fees and other educational expenses.
- Existing pupils where a change in the pupil's and/or parents' circumstances has resulted in difficulty in meeting fees and other educational expenses and may result in the child being withdrawn part way through a stage of their education.

Within the second category there may be temporary arrangements dealing with the disbursement of "hardship" funds when local or national economic circumstances affect the income of school families.

New Applicants to the School

Awareness. Information provided by the School alerting the parents of prospective pupils to the possibility of gaining means-tested financial support with the payment of school fees and other educational expenses is included in:

- The school website
- The local press and national publications and directories by means of advertisements / entries
- Local institutions including parish churches and other schools
- At the time of the tour of the School and meeting with the Headmistress
- At the time of 7+ entry advertising

The Application Process.

Bursaries may be made available to parents of children entering the School (See the School's Admission's Policy). They are awarded at the discretion of the Governors through the Bursary Committee and the Headmistress and Bursar are responsible for the management and coordination of the process. Bursaries are normally limited to 1-2 per year group in Reception to Year 6. Bursaries in the Nursery and Pre-Nursery would usually only be granted in exceptional circumstances.

- Step One. Both parents seeking a bursary are required to complete a form which seeks to establish the identity and financial circumstances of the family and of each parent. In the event parents are separated and/or divorced, financial information from both parents should still be provided, as should the financial information of any other adults in the same household of either of the parent. The form, which requests details of all income, savings and capital, may be found at Annex A and must be accompanied by full documentary evidence. The completed form, together with the necessary documentary evidence, are to be submitted to the Bursar at the time of submitting an application form for their daughter's place at the school.
- Both parents seeking a bursary will be required to sign a declaration stating that the information they have provided is both accurate and complete as well as requiring, in the event their application for a bursary is successful, them to update the School in the event those circumstances change during the academic year in question. If any information provided in the application, or as part of the broader assessment process, is subsequently discovered to be false or misleading or incomplete, the School may withdraw any award which has been made with immediate effect and, depending on the circumstances

may require reimbursement. The School may also terminate its parent contract (Terms and Conditions) and require the removal of the child in such circumstances.

- **Step Two.** The Bursar or their nominee assesses all applications in order to establish the likely level of support which will be required in order to allow the child to attend the school. This may involve a representative of the School visiting the parents' home(s) to ensure that the information has been correctly interpreted and the basis of the financial assessment has been fair. Parents may be asked to meet the Bursar or their nominee at the School and/or provide additional supporting information as may be requested.
- **Step Three.** The Bursar or their nominee prepares a recommendation in accordance with the St Mary's confidential scale of awards which is considered with the Headmistress and a joint recommendation is then reached.
- **Step Four.** The joint recommendation is presented to the Bursary Committee for approval. If timings are such that applications are made outside of the meetings calendar then the Headmistress will make a submission to the Treasurer for approval. The Bursary Committee/Treasurer may request further information to inform their deliberations.
- **Step Five.** The parents are advised whether their child is to be offered a place at the School and of the bursary offer.
- **Step Six.** Both parents are then required to sign a letter accepting the place at the School and an acknowledgement agreeing to any additional terms and conditions relating to the bursary.

St Mary's School may use an external organisation to assist with processing bursary applications, including making home visits. Information provided by applicants may be made available, in confidence, to that organisation for those purposes.

All personal data processed in connection with the school's arrangements for bursaries shall be processed in accordance with the school's privacy policy which is available on the School's website and is otherwise available from the School upon request.

The Case for Assistance.

The Headmistress and Bursar will consider a number of factors when making the judgement as to the justification for support, and the extent of such support. In the main, the child's suitability for the School is the first consideration in granting support.

- **Suitability.** Bursary funds are limited and those judged most suitable will be given priority. Each pupil to whom support is offered must, in the opinion of the Headmistress, be likely to make good academic progress following admission and possess the potential to develop the quality of her work, and benefit from participation in the wider, extra-curricular activities on offer at the School. Previous school reports will be consulted for evidence of the pupil's attainment, progress and behaviour.
- **Financial Limitations.** The amount of the bursary award is not influenced by the child's academic ability but by the extent of need. Each case is assessed on its own merits and awards are made subject to the school's ability to fund these within the context of its overall budget. It is recognised that judgements about what sacrifices a family should make to pay school fees will be personal; however, the School has a duty to ensure that all bursary grants are well focused and so, as well as

current earnings, other factors which will be considered in determining the necessary level of grant will include (but are not limited to):

- The ability to improve the financial position or earning power of each parent. For example, where there are two partners, both would be expected to be employed unless one is prevented from doing so through incapacity, the need to care for children under school age or other dependents, or the requirements of their partner's work.
- Opportunities to release any capital. Significant capital savings and investments would be expected to be used for the payment of school fees, as would equity values in property assets.
- In cases of parents who are divorced or separated, the contribution that is being made or could be made by both parents, regardless of who the child lives with, and based on the principle that liability for the fees is joint and several. This means that the School may consider the financial circumstances of each parent separately and together, treating each parent's household separately.
- The number of school aged children in the household.
- Contribution to household costs including school fees by other family members, any adults unrelated to the child or by third parties / outside sources.
- Any fees being paid to other schools (or universities) and the extent to which bursary assistance for these fees (where it is available) has been applied for and obtained.
- Acknowledging that others might have a different view, the School considers that the following would not be consistent with the receipt of a bursary. It should be noted that this list is not comprehensive:
 - Frequent or expensive holidays.
 - New or luxury cars.
 - Investment in significant home improvements.
 - A second property/land holdings.
 - Failure to honour school fee payments to other schools.
- Other Factors. It is recognised that, in addition to academic ability and financial constraints, there may be other circumstances which should be considered. These include:
 - Where a child has siblings at the School (though a bursary award to one child does not guarantee an award to a sibling).
 - Where the social needs of the child are relevant (for example where a child is suffering from bullying at their present school).
 - Where a parent is critically or terminally ill or is unable to secure permanent employment due to poor health or incapacity.

- Where a separation has resulted or is likely to result in the child having to be withdrawn from the school, adding to the stress of coping with the parents separating, although the School will nonetheless consider the financial circumstances of both parents in such cases.
- Where a previous school has awarded bursary support (but please note that bursary support from a previous school is no indication or guarantee that the parents would be eligible for bursary support at St Mary's School).

Existing Pupils - Change in Family Circumstances

Within overall budget funding, the School will in normal circumstances consider cases of sudden, unforeseen need or hardship where applications meriting Bursary assistance are received out of the normal calendar cycle for bursaries. This sum will be set within budgetary constraints. Parents with a child at the School whose financial circumstances suddenly change may apply for a hardship award to the Headmistress explaining their situation and using the forms at Annex A. Such awards are subject to the availability of funding and cannot be guaranteed.

If parents continue to require financial support in subsequent years, they will be required to submit repeat means-testing forms in the same way as other bursary holders.

The ability to apply bursary support in the event of hardship is brought to the attention of all current parents annually with the notification of the fees for the next academic year.

Annual Review

All Bursary awards are subject to repeat consideration of the child's and each parent's financial circumstances each year and may be varied upwards or downwards depending on the outcome of any review. Current bursary holders will be issued with repeat means-testing forms at or before the start of the summer term (ready for a Bursary Committee meeting held in the second half of the summer term) each year for return by the end of May. Bursary holders will usually be advised of the outcome of the annual review by the end of June.

For those previously in receipt of bursaries, the Headmistress and Bursar, in making their joint recommendation to the Bursary Committee, have the discretion to recommend to the Governors the reduction or withdrawal of an award not only where a pupil's progress, attitude, attendance or behaviour has been unsatisfactory but also where the parents have failed to support the school, for example by the late payment of any contribution they are making to the fees or by otherwise not acting in accordance with the school's Terms and Conditions, or otherwise in accordance with the terms of the award or the school's Terms and Conditions.

Confidentiality

The School respects the confidentiality of bursary enquiries and awards made to parents and recipients and prospective recipients are expected to do likewise. A breach of confidentiality in respect of a Bursary award may result in it being withdrawn by the School.

Other Sources of Bursary Assistance

In addition to the School's bursary fund, there are a number of educational and charitable trusts which provide assistance with tuition fees. In the majority of cases, these are to assist children who are already attending a fee-paying school and due to a change of circumstances may be unable to remain. St Mary's School encourages parents to apply for support where it is felt a good case can be made for assistance. Useful sources of information are

ASSISTANCE FROM OTHER SOURCES

In order to help the greatest number of parents who need financial assistance, all those who apply for a bursary from the School are asked first to enquire if they are eligible for assistance from any other source, including family members, family friends, relatives, employers, charities, trusts and foundations.

Please state whether you have applied to trusts or foundations for a grant, and if so to which and with what result. Please also state what steps you have taken to obtain assistance from any other third party.

14. DECLARATION

After having read the attached notes, the following declaration should be signed by both parents (or see below):

We have read the notes and have made a complete and accurate declaration of our income and assets.

We understand that if we are offered a bursary for our child and accept a place for her at the school, the following terms and conditions will apply as between ourselves and the School:-

- a) our child’s fees account with the School will be credited termly with the amount of the bursary for so long as the award remains in effect;
- b) any award of a bursary is subject to annual review and we must complete an annual declaration of our financial circumstances on the form sent to us by the School and supply all relevant supporting evidence by the return date indicated;
- c) we will report immediately any material change in the financial position declared;
- d) the bursary may be withdrawn or reduced if:
 - i) we act or our child acts in breach of the School’s Terms and Conditions attached to the Acceptance Form for our child at the School or in breach of the terms of the bursary award;
 - ii) we have failed to return the annual declaration of our financial circumstances by the return date indicated;

NOTES FOR GUIDANCE FOR COMPLETION OF BURSARY GRANT APPLICATION FORM

Before completing the form, please read these notes carefully, and contact the Bursar if further information or advice is required. These notes refer to the corresponding paragraph on the Form.

The School reserves the right to seek any other documentary evidence in support of the income and asset figures submitted, and to make enquiries which it deems necessary.

All financial values should be shown in Sterling. References to Her Majesty's Revenue & Customs (HMRC) include the relevant national Taxation Authority.

SECTION 2: PARENTS

The form should be completed by all holders of parental responsibility for the child.

As responsibility for payment of the fees is in most cases 'joint and several', where both parents do not live together in the same household, each parent should complete the form with full details of their own financial circumstances and the circumstances of their own household. Please err on the side of caution and provide as much information as possible.

Please contact the Bursar if you are unsure who should complete this form or have questions about whose financial circumstances should be included.

SECTION 4: INCOME

- A The gross annual amount of salaries and wages, including any earnings from profit related pay, part-time employment and any sum received as bonus, commission etc, statutory sick pay, statutory maternity pay giving GROSS amounts (before deduction of tax, NI, superannuation, etc) for the current or latest financial year. Taxable benefits in kind agreed with HMRC should also be shown (free or subsidised housing, meals, petrol, cars, etc) – at the amount agreed for taxable purposes.
- B Profits from a business or profession – at the amount of GROSS income declared to HMRC or relevant tax authority for the year in question. Copies of the latest set of accounts should be included. Where the profits assessed relate to a basis period in excess of or less than 12 months please state the length of that period.
- D All other Investment income (eg interest or National Savings Bank deposits; dividends, annuities etc) should be entered GROSS of tax. If tax was deducted at source, parents should add in the amount of tax paid or tax credit notified. Building Society interest must be disclosed GROSS.
- E Enter income from letting or subletting of property at the amount of the profit declared to HMRC, net of related expenditure before tax.
- F All social security benefits received should be declared and type of benefit specified.
- H Court Orders, Legal Separation Agreements and Voluntary Arrangements for School Fees – Where a parent is required by a Court Order, or a legal binding separation agreement (eg Deed of Separation) to pay part of the school fees, then only that part of the fee which is not covered by the Court Order/agreement will be used to calculate any bursary to be awarded. This is irrespective of whether or not the order or agreement is being complied with. Where the whole amount of the fees are required to be paid by virtue of a Court Order or separation agreement, applicants are not eligible for a bursary. You should indicate how many years are payable and any annual variations.

All receipts relating to maintenance payments, separation allowances and sums in respect of Child Support maintenance must be declared.

- J Include free benefits in kind agreed by HMRC as not subject to tax, eg representative occupation of house, free meals.

SECTION 5: OUTGOINGS

- C Enter annual superannuation contribution of (if applicable) payments to other Pension Schemes SEPARATELY.
- D Enter capital as well as interest payment on a mortgage for the principal residence.
- E Only complete this if repayment is effected by means of a full Endowment Policy.
- F Include bank overdraft and other loan charges incurred during the year (specifying the purpose of the loan).

SECTION 6: PARENTS'/APPLICANTS' CAPITAL ASSETS

In addition to taking account of all relevant sources of income, the School takes account of the following assets:

- A The capital sum of any monies on deposit with any bank, deposit taker or building society. Investments in stocks and shares, valued as near as possible to the date of submitting the application form.
- B The current market value of your principal residence as provided by two estate agents. The current market value should be estimated by parents where a current valuation is unavailable, with the reason provided as to why such a valuation is unavailable.

Details of other liabilities should be provided along with the lender.

SECTION 9: DEPENDENT CHILDREN
