MISSION STATEMENT

St Mary's School seeks to provide an outstanding education firmly founded on the Catholic Faith.

Spiritual and moral principles are nurtured in a way that is reflected in daily life.

Within a happy and caring environment and based on the recognition of the dignity and worth of each child, where each child is valued and high standards are expected. Intellectual development is emphasised and fostered along with the pursuit of academic excellence to achieve individual potential and spiritual development.

St Mary's values the unique contribution of every child within the school community.

St Mary's is inclusive and welcomes girls from all communities and faith backgrounds, or none, and believes that all benefit from the school's values.

St Mary's aims to encourage an active partnership between home, school, parish and the wider community.

Equal opportunities policy

Promoting equal opportunities is fundamental to the aims and ethos of St Mary's School, Hampstead (the "School") and is enshrined in our Mission Statement, which underpins all that we do. We welcome applications from candidates with a diverse range of backgrounds. This enriches our community and is vital in preparing our pupils for today's world. We provide a caring and welcoming atmosphere where each individual pupil feels valued and can flourish.

The School recognises the benefits of having a diverse school community, with individuals who value one another, and the different contributions everyone can make. Pupils will be taught to value and respect others.

The School is committed to being an equal opportunities school and is committed to equal treatment for all pupils, regardless of race, disability, religion or belief, or sexual orientation, gender reassignment, pregnancy or maternity (protected characteristics).

We believe that the educational experience is enhanced if children are exposed to as wide a range of cultural experiences as possible whilst they are developing. We seek to provide an opportunity for all children to receive the highest standard of Catholic education. We focus on educating the individual and in helping children to achieve their full potential – recognising and valuing the unique contribution of every child within the school community. We have the highest expectations of all our children.

The aims of this policy and the School's ethos as a whole are to:

Staff at the School, particularly those working at a management level, have a specific responsibility to set an appropriate standard of behaviour, to lead by example and to promote the aims and objectives of the School with regard to equal opportunities.

Admissions

The School treats every application for admission in a fair, open-minded and equal way in accordance with this policy and the School's Admissions Policy. The School's aim is to encourage applications from prospective pupils with as diverse a range of background as possible. The School is committed to equal treatment for all and as such accepts applications from, and admits, all prospective pupils irrespective of their or their parents' disability, ethnicity, race, religion or belief (or lack of religion or belief), gender reassignment, sexual orientation, pregnancy or maternity, social background or special educational needs ('SEN'). Prospective pupils will also be treated equally in respect of their parents' age, or marital or civil partnership status.

Please see the Equal Opportunities for Staff Policy and the Recruitment, Selection and Disclosures Policy in relation to our approach to staff recruitment and selection.

The School does not unlawfully discriminate in any way regarding entry. The School welcomes pupils with disabilities and/or special education needs, provided we can offer them any support that they require, cater for any additional needs and that our site can accommodate them. Parents must inform the School when submitting the Registration Form of any disabilities and/or special education needs which may affect their child's performance in the admissions process and/or ability to fully participate in the education provided by the School so that we can consider what reasonable adjustments may be necessary to ensure that the child is not placed at a substantial disadvantage compared to other children. The School will not offer a place to a child with disabilities if, after reasonable adjustments have been considered, the School feels that they cannot adequately cater for or meet their needs, that the prospective pupil is not going to be able to meaningfully access the education offered, or that their health and safety, or those of other pupils or staff, may be put at risk.

St Mary's is committed to supporting pupils who, for financial reasons, may not consider or have access to independent preparatory school education. In line with our ethos, we offer a number of generous bursaries (normally up to 95%, although in very exceptional circumstance, additional discounts may be granted) in order to enable as many as possible who meet the school's admission criteria to attend the school. Details of our bursary provisions can be found on our website or obtained from the Bursar.

Educational services

The School affords all pupils access to educational provision including all benefits, services and facilities, irrespective of any protected characteristic (subject to our reasonable adjustments duty and considerations of safety and welfare). The School will not discriminate against a pupil on the grounds of any protected characteristic by excluding them or subjecting them to any other detriment.

The School will:

- Treat all members of the School community with respect and dignity and seek to provide a positive working and learning environment free from discrimination
- Endeavour to meet the needs of all pupils and ensure that there is no unlawful discrimination on the grounds of any protected characteristics
- Ensure that pupils with English as an additional language and pupils with an Education Health Care Plan receive necessary educational and welfare support
- Monitor the admission and progress of pupils from different backgrounds
- Challenge inappropriate and unacceptable discriminatory behaviour by pupils and staff
- Encourage pupils to work and play freely and have respect for all other pupils irrespective of any protected characteristic
- Offer all pupils access to all areas of the curriculum and a full range of extra-curricular activities
- Work with parents and external agencies where appropriate to combat and prevent discrimination in School

- Ensure that it reviews, monitors and evaluates the effectiveness of inclusive policies and practices
- Use the curriculum, assemblies and PSHCEE to:
 - Promote tolerance of and respect for each other, paying particular regard to the protected characteristics set out in the Equality Act 2010
 - Promote positive images and role models to avoid prejudice and raise awareness of related issues
 - Encourage pupils to question and challenge assumptions and stereotypes in order to better understand discriminatory behaviours and bias

The School recognises that discrimination may be direct, indirect, or arising from disability whether or not it was intentional. Harassment and bullying in all its forms (including cyberbullying) are unacceptable and will be dealt with in accordance with the School's Behaviour and Discipline and Anti-Bullying policies. The School's Behaviour and Discipline and Anti-Bullying policies make clear the seriousness of bullying, victimisation and harassment and that appropriate sanctions will be applied to any pupil who displays inappropriate behaviour.

Religious belief

Although the School's religious ethos is based on Catholic values and tradition, the School is inclusive and welcomes and respects the rights and freedoms of individuals from other religions and faiths (or with no religion or faith) subject to considerations of safety and welfare and the rights and freedoms of other members of the School community.

The governing body, through the senior leadership team, actively promotes the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Requests for variation in the school uniform

All pupils are required to wear a uniform. The Headmistress will consider requests from parents and pupils for variations to the uniform for reasons related to disability, gender reassignment and/or on religious grounds provided they are consistent with the School's policy on health and safety and that such request/s are reasonable in all the circumstances including in light of the School's obligations under the Equality Act 2010.

Where there is uncertainty as to whether an item may be worn to School, parents are encouraged to discuss the matter with the Head, in advance.

Reasonable adjustments for pupils with disability

The School is committed to treating all pupils fairly and in light of the School's obligations under the Equality Act 2010, the School will seek to ensure that pupils are not put at a substantial disadvantage, by comparison with pupils who are not disabled. As such, the School has an ongoing duty to make reasonable adjustments for pupils with a disability which includes:

1. making reasonable adjustments to our policies, criteria and practices (i.e. the way the School does things); and
2. providing auxiliary aids and services (i.e. provision of additional support or assistance)

Where the School is required to consider its reasonable adjustments duty, it will consult with parents and, where appropriate, the pupil, the Special Educational Needs Coordinator "SENCO", and (with the parents' consent) any appropriate third party, which may include for example, a medical practitioner or educational psychologist. The School will discuss what reasonable adjustments, if any, the School is able to make to avoid their child being put at a substantial disadvantage in comparison to other pupils. The School will carefully consider any proposals for auxiliary aids and services in light of a pupil's disability and the resources available to the School. Further information on the School's reasonable adjustments duty can be found in the School's SEND Policy.

The School is not required to remove or alter physical features to comply with the duty to make reasonable adjustments for disabled pupils or prospective pupils. Similarly, the School is not required to provide auxiliary aids for personal purposes unconnected with its provision of education and services.

The School has an Accessibility Plan in place which can be found on the School website and a hard copy can be made available upon request. This sets out the School's plan to increase the extent to which disabled pupils can participate in the School's curriculum; improve the physical environment of the School for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the School; and improve the delivery of information to disabled pupils which is readily accessible to pupils who are not disabled.

Monitoring and review

The Headmistress regularly monitors and reviews the effectiveness of this policy and reports to the governors on the policy's effectiveness in practice.

Breaches of this policy

Pupils who are in breach of this policy may be sanctioned in accordance with the School's Behaviour and Discipline Policy.

If you believe that a pupil has received less favourable treatment as a result of a protected characteristic, or if you feel that this policy has been breached in any way to a pupil's detriment you are encouraged to raise the matter through the School's complaints procedure (available from on our website).
